Dear Sir/Madam

REF: APPEAL FOR SPONSORSHIP, DONATION AND FUNDING

Zakheni Training and Development Centre (ZTDC) invites you to become a Sponsor/Funder/Donor for our programmers (list attached), designed to benefit the previously under-privileged community. The programmers targets the youth In and Out school.

The Organization operates in three provinces in South Africa which include Gauteng in Tshwane District, Limpopo in Sekhukhune District and the North West in Bojanala district.

The primary source of funding for most of our programmers is from the corporate sponsors, and well-wishers. Zakheni has provided the community with continuum of support care services in HIV/AIDS and sustainable Environmental Management for the previous 10 years.

The funds you provide helps in our endeavor to develop healthy, productive young people who can invest back into their community and environment, and it also seeks to engage communities through dissemination of information that enhances development and mobilization of young people to participate in self-growth opportunities.

Your sponsorship, donation and funding will help assure the success of sustainable livelihood of the millions community member affected with HIV/AIDS and Environment biodiversity.

Please do not hesitate to contact Mr. K Mbale and the Programs Manager Ms. Lerato Kekana for clarity on any areas of concern or for more information.

We are looking forward to engaging in a dialogue with you at your earliest convenience.

Yours sincerely,

Mr. Kawepano Mbale (The Executive Director)
